Certain conditions apply. This offer is for cellular customers who de-activate their previous account and migrate from Telus, Rogers or Fido, and activate a new postpaid cellular account with NorthernTel Mobility for a minimum of 12 months. In order to benefit from the \$100 credit, the billing address of the previous and new cellular accounts must be the same. The \$100 rebate applies directly to the new NorthernTel Mobility account upon receipt of this completed coupon and a copy of a recent bill (dated within the last 60 days) from your previous cellular supplier or other proof deemed valid by NorthernTel Mobility. Offer valid in areas served by NorthernTel Mobility, where technically available. For more information contact NorthernTel Mobility's customer service department at 1 800 360-8555 or your authorized dealer. Subject to change, termination or extension without prior notice.
